

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

11/16/21

Supporting Caregivers with Assistive Technology
FREE Missouri Open Door (MOD) Workshop Series
November 24, 2021 @ 12:30 pm - 1:30 pm

During this month's workshop, participants will learn about assistive technology that supports caregivers in their day-to-day roles. Through every-day skill-building strategies and integrated services and supports, the goal of this session focuses on:

- Providing immediate-use ideas for problem-solving and planning
- Strengthening your everyday technology knowledge
- Incorporating / Understanding local service and support strategies
