Employment Online Learning Community

Boosting Candidates Job Search

Tuesday, December 14, 2021 at 2:00 pm

Registration is available for the next statewide online learning community meeting, Boosting Candidates Job Search, featuring presenter Darla Wilkerson, CEO, Center for Disability Inclusion (CDI). Topics include current trends in business outreach, recruitment, and hiring of people with disabilities. Darla will also share the services CDI offers businesses and community provider organizations - including online job boards, Jobs Ability, and how those services expedite connections to businesses seeking talent.

Registration is required. Please register [here](#).

Please email Jessica.keenoy@umb.edu with questions or accommodation requests.

Employment First Missouri, a collaborative between the Division of Developmental Disabilities and the Institute for Community Inclusion at University of Massachusetts-Boston, offers monthly professional development opportunities.
