Electronic Visit Verification (EVV)

Prior to January 1, 2021 the Missouri Medicaid Audit and Compliance (MMAC) Unit is requiring all Personal Care and Home and Community Based Service Personal Assistant Service providers complete an attestation form regarding the status of EVV utilization. Additional information is available at www.mmac.mo.gov and the one page, fillable [EVV Attestation Form](#).

MO HealthNet has an [EVV website](#) with additional information, including EVV Fact Sheets for providers and Medicaid participants. DMH also has an [EVV FAQ](#) with more information for providers delivering Personal Assistant Services to DD participants.

Providers can email questions about EVV to Ask.EVV@dss.mo.gov.
