Waiver Renewal Process

The Division of Developmental Disabilities Partnership for Hope (PFH) and Missouri Children with Developmental Disabilities (MOCDD) waivers expire June 30, 2023. Centers for Medicare & Medicaid Services (CMS) requires the state to obtain public input during the development of a waiver renewal in accordance with 42 CFR 441.304(f).

The Division has started to develop the renewals and is requesting input from stakeholders, individuals, family members, and providers on current waiver programs. Additional information regarding the input submission process will be provided in the near future. Meanwhile, below are links to information about the PFH and MOCDD Waivers for review.
