Tools of Choice Curriculum Update

On January 1, 2022, [Tools of Choice](#) (ToC) will be shifting to a hybrid curriculum. This includes four recorded modules located in the MODD Content Self-Registration Portal and live practice workshops.

To find out more information about how your agency can access this resource, please see our pages on [agency expectations](#) and [facilitator training](#).

If you and/or your agency are interested in the development of an internal ToC facilitator, please contact your [Positive Supports Consultant](#) to discuss next steps.

Existing tiered agencies who wish to convert ToC Trainers into ToC Facilitators should contact Lucas Evans (Lucas.Evans2@dmh.mo.gov) as soon as possible to create a plan to meet facilitator expectations by **June 30, 2022**.
